

## MEMORANDUM

**FROM:** Chris Skaggs, <sup>CS</sup>Northeast Maryland Waste Disposal Authority

**TO:** Interested Parties

**DATE:** March 20, 2019

**RE:** Request for Proposals for Permit Compliance, Construction Management/Inspection and Support Services For the Gude Landfill Remediation Project

The Northeast Maryland Waste Disposal Authority (the "Authority"), a multi-jurisdictional agency, will soon issue a request for proposals from engineering firms or engineering teams that are qualified to provide construction management and inspection services in support of the permitting and construction of the relating to solid waste facilities, specifically the installation of corrective measures at landfills ("Construction Management Engineer"). The services required include constructability and budget review of design documents, construction management, full-time onsite inspection services, contract document review, processing/logging all project correspondence, performing construction quality testing, conducting bi-weekly progress meetings, providing meeting minutes all project meetings, and other tasks required for the successful completion of the project. Construction will be accomplished under phased construction contracts that will overlap and be executed in sequence based upon the design and fiscal year budgeting constraints. Please fill out the vendor contact information form and return to [procurement@nmwda.org](mailto:procurement@nmwda.org), with the subject heading \* Construction Management Engineer \*, or fax the form to 410.333.2721.
