The Northeast Maryland Waste Disposal Authority (the “Authority”), a multi-jurisdictional agency, is requesting qualifications submissions from remediation construction contractor firms or construction contractor teams (the “Construction Contractor” or “Offeror”). The Offeror should be qualified to provide the remediation construction services required by the Maryland Department of the Environment (“MDE”)-approved Corrective Measures for the closed Gude Landfill, In Montgomery County Maryland. Due to the number of responses for the pre-submission conference scheduled for October 13, 2020 at 10 AM, Local Time, **we are moving the conference to an online presentation (via WEBEX). This is to make certain that we are in compliance with the Montgomery County limits for in-person gatherings.** Please see the information below. We will also be scheduling smaller tours over the coming weeks for interested parties to see the landfill. Participants are encouraged to attend the pre-proposal conference, but not required to attend in order to respond to this RFQ.
