* Please note: Howard County is not interested in Recycling Services at this time; however, pricing is still being requested in case Howard County is interested in future Recycling Services.

Cost proposals must be based on the characteristics listed in Appendix A. Member Jurisdictions will not be responsible for segregating or sorting the Acceptable Materials to be transported by the Member Jurisdiction/transported by the Contractor for recycling. However, Proposers may submit additional cost proposals with detailed segregation responsibilities of the Member Jurisdictions to display any cost savings that may occur with that increased level of effort.

The Proposer may leave any line-item blank for which the Proposer is not interested in submitting a cost proposal for. Proposers are not required to provide a cost proposal for all Member Jurisdictions, but at any point during the Master Service Agreement, if an awarded Proposer provided a cost proposal in Appendix E for a Member Jurisdiction, the Proposer will be required to enter into a Confirmation at the request of that Member Jurisdiction, pursuant to the terms of the Master Service Agreement, within 30 days of the written request by the Member Jurisdiction.

Please include at least 7% Minority-Owned Business Enterprise ("MBE") and 3% Women-Owned Business Enterprise ("WBE") inclusion for all services to be performed within the Baltimore City proposal (e.g., using subcontractors, etc.), in order for the City to approve and sign the Confirmation with the Proposer, if possible. More details on this requirement can be found here: <u>https://law.baltimorecity.gov/certification-process</u>.

All pricing is to remain firm throughout the term of the Master Service Agreement, with the exception of the Authority approved, annual Consumer Price Index adjustment and monthly fuel adjustments as stipulated in Appendix H, Master Service Agreement, and per Exhibit C.

The Proposer must submit a Cost Proposal Form in the format provided in Appendix E in the RFP, however, the Proposer may submit additional proposals that reflect the Proposer's unique or novel approach.

If Proposer is proposing a volume discount on the per-ton cost based on servicing multiple Member Jurisdictions, describe in detail the proposed discount.
